

GOLDEN  STONES®

NATURAL STONE & SINKS

Where Natural Beauty Meets Lasting luxury

Golden Stones stocks over 100 colors of granite and marble slabs in its Houston fabrication facility, ensuring prompt, on-time installations in the event of unforeseen delays of materials. Each installer is required to complete a rigorous one year, on-site training program to ensure quality and safety standards.

Natural Stone Disclaimer: Natural Stone is a product of nature, and as such, variations in color, pattern, texture and veining are inherent characteristics. Samples and photos are indicative only and may differ slightly from the final installation.
